

Outfit Today

“THERE IS NO SUCH THINGS AS BAD WEATHER, ONLY BAD CLOTHES.”

BY:

INOSHA SUGATHAPALA

TIRTHANKAR PAUL

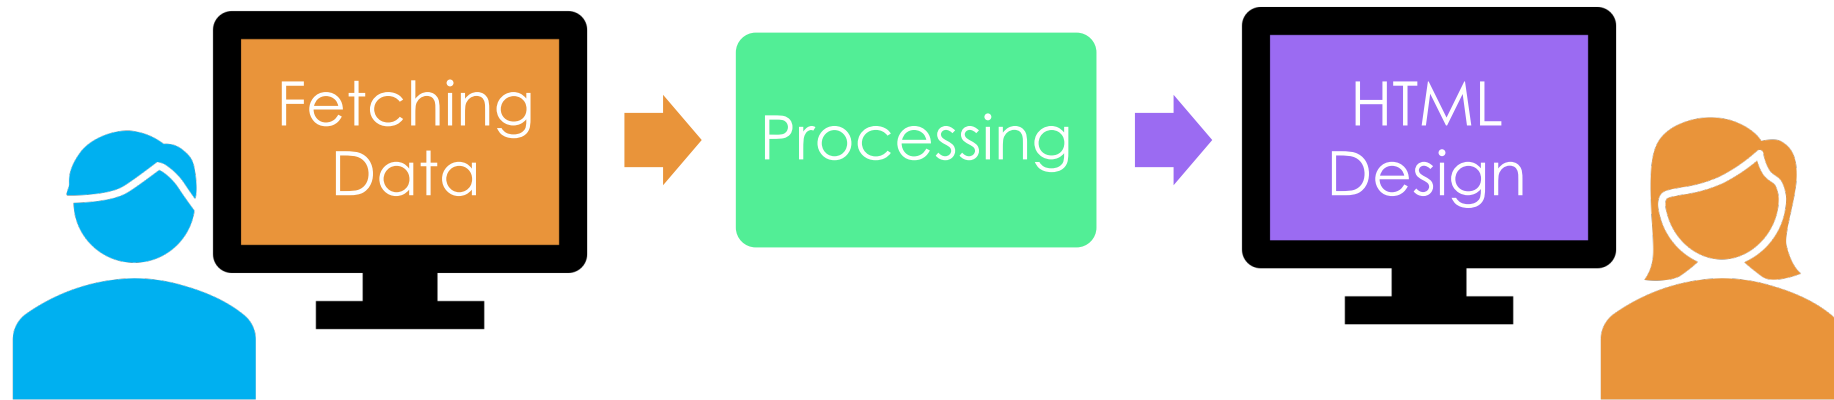

Weather and Kids Day Out

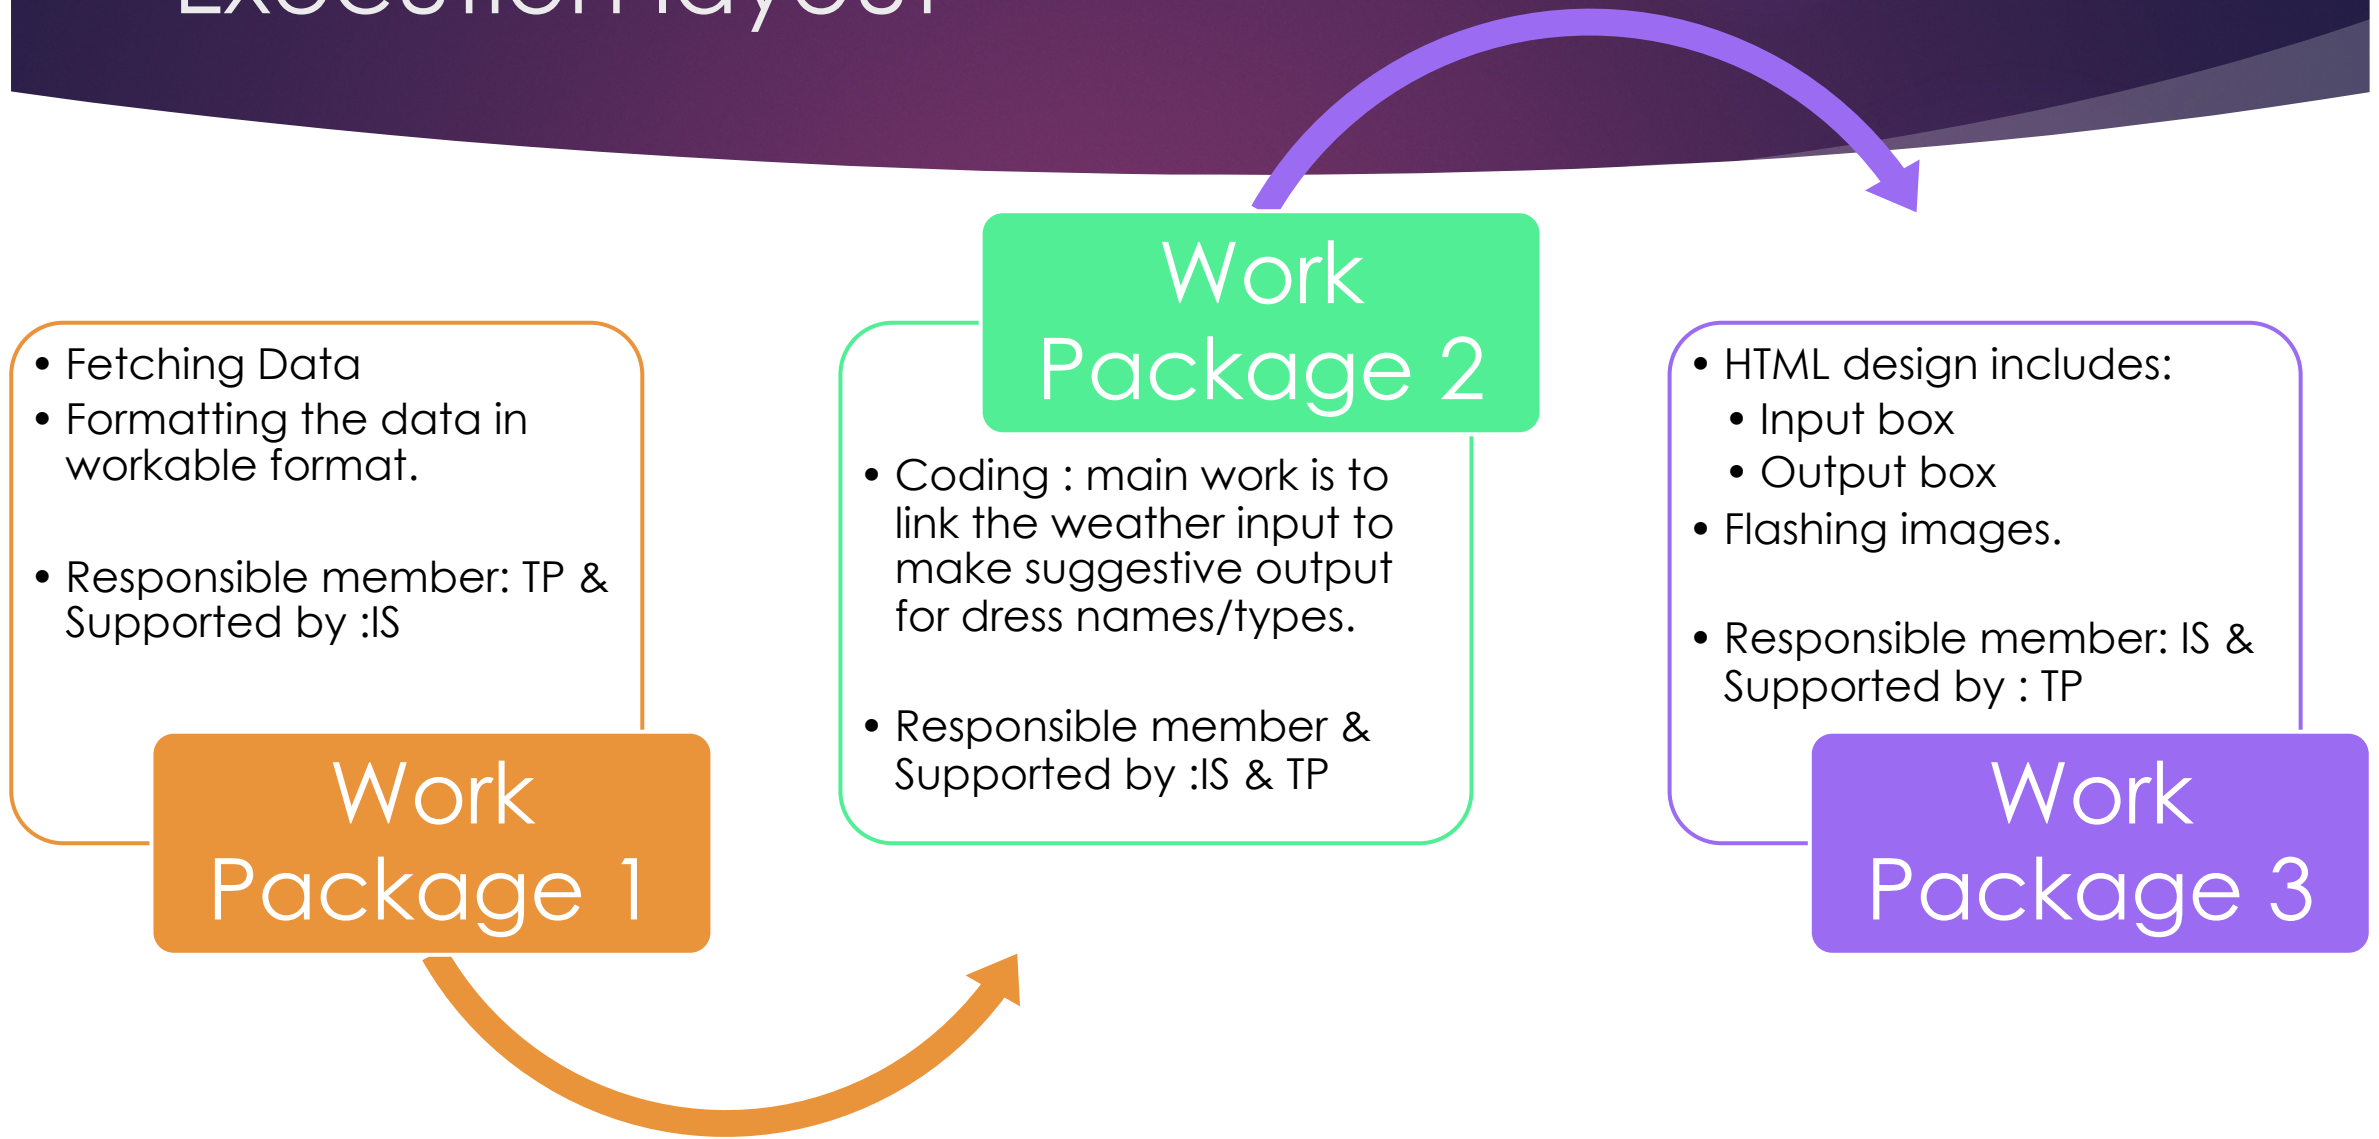

➤ Target Group:

New comers,
School Kids
and parents.

Execution layout

Execution layout

HTML Design:

- ▶ Challenges:
 - ▶ Creating and removing html elements from Javascript with variable input
 - ▶ Organizing weather data in an efficient way
 - ▶ Adding attractive things with css
 - ▶ Simplified and optimized code as anyone can understand

Fetching Weather Data:

▶ Challenges

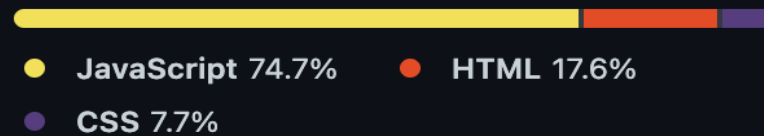

- ▶ Fetching weather data from latitude and longitude.
- ▶ Simultaneously, weather data from the user defined location.
- ▶ Considered the different time zones with predicted weather.
- ▶ Weather Data API : <https://openweathermap.org/api>
